Four Characteristics in the Born-Again Person

Acts 9:1-11

Characteristic #1 – Paul was sought by Jesus. He did not initiate the encounter.

Characteristic #2 – The newborn has another form of breathing. It is called prayer. There is this impulse to seek God in prayer by the Holy Spirit and it will grow.

Acts 22:1-10

Characteristic #3 – A holy boldness, even a sense, “I cannot contain myself, I must tell people about Jesus.”

Acts 26:12-23

Characteristic #4 – A submission to the Lord manifested by obedience
