

Don't Be a Fool!

Psalm 14

Pastor Jonathan Sole

July 19, 2026

Central Idea: Believing God isn't watching leads to a corrupt life and forfeits the salvation the righteous rejoice in.

I. Fools convince themselves God isn't watching (v. 1-2)

II. Fools live for their own desires (v. 3-5)

III. Fools miss out on God's salvation (v. 6-7)
