

From Information to Transformation

Psalm 19

Pastor Jonathan Sole

September 6, 2026

Central Idea: General revelation informs us that God exists; special revelation tells us who he is and transforms how we live.

I. Creation is God's general revelation (vv. 1-6)

II. The Word is God's special revelation (vv. 7-11)

III. Special revelation produces transformation (vv. 12-14)
